

A FATHER'S GREAT LOVE

because a Father's love changes everything...

PROBLEM:

Often we are approached at A.F.G.L. with the problem that many pregnancy care centers and like minded ministries face. That is - "How do we keep quality male volunteers aboard our program when so many male clients prove to be 'no-shows' and miss so many appointments?" The core issue being ministry leaders don't want to waste volunteers precious time having people as employees sit in an office watching dust collect. People need to be productive for the provision of their families.

SOLUTION:

Some of the best mentors to attract and work with are people in the workforce who are 'mobile' (salesmen, direct reps, etc.,). People and small business entrepreneurs who often need an "Office Away From the Office". Providing a place for a person to work while waiting for a client to present themselves volunteers can complete the work they've been hired for and is a win-win-win. The idea here is that while he/she is waiting - they are productive and hitting their primary goals with your goals coming second.

WHAT YOU WILL NEED:

- 1) Designated area for work (Office, Desk, networked computer)
- 2) WI-FI internet availability, wireless internet access points
- 3) Wi-Fi Color Laser Printer
- 4) Ample Office Supplies
- 5) Small Refrigerator with water and refreshments
- 6) Peace and Quiet

HOW IT WORKS AND THE RESULT:

Allowing volunteers to use your office environment as a quiet secure place where they can meet their primary goals your organization will become more attractive to the potential mentor wanting to help you. Put others first - Let God do the rest.

Think about it.

OFFICE AWAY PROGRAM

KEY POINT

PEOPLE WHO ARE RESPONSIBLE EMPLOYEES, OFTEN WANT TO WORK WITH YOU AS A LOVING DEDICATED MENTOR/VOLUNTEER. YET, THEIR KEY STRUGGLE IS TO BRIDGE THE GAP OF WORK VS. VOLUNTEERISM. YOUR JOB IS TO HELP THEM CROSS THIS CHASM.

KEY VERSE TO CONSIDER

Deuteronomy 25:4

"Do not muzzle an ox while it is treading out the grain."

Many times in ministry we have the best desires for our volunteers. Help people enjoy to volunteer with you **AND** meet their professional responsibilities **FIRST**.
